

Garage Sale Tips

- Make a clear passage to items for sale. No trip hazards.
- Put clear pricing on the top of everything. The larger the item, the larger the label.
- Check Pockets & boxes before placing it for sale.
- Secure Glass items well
- Display clothes on a rack & sort.
- Display books and CDs in a box so the titles can be easily read. If selling electrical appliances, Have an electrical outlet.
- Display more interesting items at the end of your driveway as a magnet.
- Station yourself closest to the street. It prevents people from "forgetting" to pay.
- Set old lawn mower, power tools & a table with guy stuff in front.
- Be ready to sell. Start with an array of bills & coins.
- **Keep money in a fanny pack or Carpenter's apron. Do not leave box of money laying around.**
Don't pull large roll of bills when making change.
- Cover anything in your garage you don't wish to sell
- **Keep cell phone in fanny pack. Don't leave it out lying around.**
- If someone hands you a large bill, leave the bill out in view until after you have given them their change.
- Have bags available. If you need bags, let me know.
- Have Kids & teenagers set up their own table selling their toys and clothes. Great way to earn money and clean out closet.
- Donate unsold Goods to benefit others and alleviate placing back in the garage.
- Invite a neighbor or friend to join you in your yard sale. The more stuff you have available to sell the better.
